Stay on the Marked Trails!

MARTIN COUNTY'S PRAIRIELAND SNOWMOBILE TRAILS

THE BLIZZARD SNOWMOBILE CLUB INVITES YOU TO RIDE OUR TRAILS.
 See our website MYBLIZZARDCLUB.COM for the Latest Trail Info and Updates
For your safety, please observe the following:

1. Always operate your snowmobile at a reasonable and prudent speed for trail conditions which may change daily.
2. Always drive on the right side of the trail and park to the right in single file or stop off the edge of the groomed surface.
3. Do not pass unless recognized and motioned to pass by the snowmobile operator ahead.
4. Appreciate the efforts of the trail groomer operator and try to leave the trail in the same condition as you found it.
5. Do not drink and drive. STEER CLEAR.
6. The future of snowmobiling depends on the impressions created by snowmobilers today. Remember, all snowmobilers are judged by the actions of a few. Please do not cause any loud disturbances near homes or cause damage to any trees or shrubs or other property.
7. Please remember that some of our trails cross private land. These landowners have been kind enough to give us easements across their land. You have permission to ride on the marked trails only.
8. Do not disturb wildlife or livestock.
9. Do not remove or destroy any trail signs.
10. Do not litter. You carried it in; carry it out.
11. These trails are for snowmobiles only.
 All other motorized vehicles are prohibited.
12. Take special care when crossing roadways.
13. These trails are for winter use only: December 1 through March 31. No trespassing in offseason months.
14. Obey all signs. (Watch for theft of signs.)
15. Report any violations to county authorities or the phone numbers on the map.
 Operating a snowmobile while intoxicated is unlawful. 50 miles per hour is the maximum legal speed limit unless otherwise posted.

These trails are supported by the Minnesota DNR Trails Grant and Aid Program and State Trail Pass.
The DNR does not endorse any advertisers on the map.

SAFETY ON LAKE ICE:
 Sometimes it is convenient to ride across the ice surface of a lake. The safety conditions of lake ice can be very different from one day to the next. You are responsible for making your own judgments about ice conditions
